

Easy Seal PEX Copper Ring Crimping Tools for Tight Spaces

Right angle head and "Double Toggle" action needs only half the handle clearance of standard crimpers

Exclusive no-wrench on-the-job calibration requires screwdriver only

Unique ergonomic grips reduce hand wear and tear

Easily fits between joists for quicker crimping

Crimps copper rings to ASTM F-1807 specs

Soft-Touch precisely mated jaws for smooth "no-flash" crimps the first time, every time

1/2" Order # 7302 ES
3/4" Order # 7303 ES
