

**SARGENT  
QUALITY  
TOOLS**

# **STUBBY™**

## **from SARGENT®**

### **Preps Cable in the Tightest Places**

- Strips coax in MDU boxes, wall plates and most tight spots
- Spins around just like a screwdriver
- Don't call for a rewire or cut drywall to move the box, let STUBBY squeeze in
- Customize your STUBBY with standard SARGENT stripper cartridges
- STUBBY goes where no stripper has gone before

**Tool Number:**
